STREET GAMES

SPONSORSHIP PACKET

Welcome to the Summer Street Games 2023!

We are proud to host one of the most unique fitness competitions in the country. A CrossFit competition brings in hundreds of athletes and spectators to the hosts' city. It is a great way to showcase the incredible work these athletes put in on a daily basis. Putting on a competition of this magnitude requires a great deal of time, effort and most importantly funding.

The Summer Street Games could be an amazing opportunity to get your brand in front of hundreds of new and established professionals. We are hosting this event in the heart of downtown Davenport, in the MIDDLE (Yes, Middle) of 3rd street, between Ripley and Harrison. If you have ever hoped to get your brand noticed, this would be a perfect fit.

This year's 2023 event is slated for two days:

Friday, (night only) June 23rd
Saturday, (day) June 24th

Location: Directly in front of the Bar District in Downtown Davenport (between Ripley and Harrison Street)

Our event will consist of (60) 3-person teams in addition to many more spectators, staff, and volunteers. We WILL sell out very quickly. We project around 500 spectators and many more coming down to check this event out! Not including all the friends, family and volunteers that will be helping run the event.

If sponsoring the #SSG sounds like something you or your business would be interested in, please send colincartee@crossfitoc3.com an email to get the process started!

Thank you for considering!
